

«Jardin des Grelinettes»

Address :
5, Place du Marché 04000, Digne,
France

Once upon a time...

- It is the 3rd garden of the association “A Fleur de Pierre”.
- It is a small land close to the centre of the city.
- It was offered by a private owner.
- It is located behind the boulevard “Gassendi” which represents a true oasis between the buildings.

Objectives

- Food production
- Social link/ Work
- Health issues

Values

- Auto production
- Gardening education

Activities & Events

- Educational workshops with the primary schools
- Animations with the children/parents attending Meeting Point for the establishment of a garden
- training course in organic gardening
- training module about organic gardening

Structure of the garden

- Surface: 450 m²
- Organisation of plots: 4 plots (50m² each plot)
- Equipments & infrastructures:
- 5 employées: a director, an animator, a technical educator, 2 gardeners

What do we grow & for whom?

- Organic gardening for families' consumption: vegetables, fruits, aromatic plants

Our good ideas & practices

- In the garden there is a professional organisation which aids local people living in difficulties
- A training course in organic gardening open both to members and to the public
- Social services as gardening at houses of elderly

Practical information

- Access : Free access for gardeners
- Opening hours: Office opening time: 8.30/12; 1-4.30
- Allocation of plots: registration on the waiting list open to all people (or structures), adherents who live in the neighbourhood (public housing).
