

«Jardin des Mélisses»

Address:

Ferme apicole du Mouléron
Les Ferrailles,
04870, Saint Michel l'Observatoire

Once upon a time...

- The Association "Graine de Liens", which is the management structure of the garden, was created in 2010
- The first gardeners arrived in October 2010: plantation began in spring 2011.
- Inauguration of the garden in Autumn 2011.

Objectives

- Food production
- Social dialogue

Activities & Events

- Picnic
- Visits to garden and nearby farm
- Biennial events of planting

Ideas for tomorrow

- A shared grove

Structure of the garden

- Surface: 4000m²
- Organisation of plots: plots from 25 m² to 100 m²

Management

- The garden is managed by volunteers

What do we grow & for whom?

- In the garden are cultivated vegetables, fruits, flowers, aromatic plants, a parcel of wild plants and edible plants and a bio hedge.

Our good ideas & practices

- Promotion of water economy
- Different mulching
- Composting

Practical information

- Access : 24 hours per day for members
- Visits organised for groups
- Membership 15 Euros per year
