

# «Jardin des Aures»

Address :  
Association Accueil et rencontres  
63, chemin des baumillons  
130 15 Marseille FRANCE

## Once upon a time...

- The garden is one of the projects of the organisation Accueil et Rencontres
- The organisation has different activities on a land rented to the protestant parish.
- The garden started following the wishes of inhabitants from the area.

## Objectives

- Food production
- Social dialogue
- Education to sustainable development
- Environment

## Activities & Events

- Gardening for the gardeners having a plot
- Environmental education and gardening with the schools, social center and groups of the area.

## Structure of the garden

- Surface: 3500m<sup>2</sup>
- Organisation of plots: Collective plots. 20 familial plots
- Tapwater

## Management

- A steering committee for all the projects of the organisation
- 2 payed staff (1,5 full time) for the garden

## Practical information

- Access: open for the gardeners
