

«Un Enfant, Un Jardin»

Address:
Mas de Raillon
Avenue St Roch
13310 Saint Martin de Crau

Once upon a time...

- The owner of the land decided to share her passion for gardening with children in order to teach them that the vegetables don't grow in cans

Objectives

- Introduce the children to ecology
- Bring together children of different schools in a common project
- Food production
- Social dialogue
- Education to sustainable development
- Environment

Activities & Events

- Introduce the children to ecology
- Psychomotor education
- Each child leaves the garden with a vegetable

Structure of the garden

- Surface: 500m²
- Organisation of plots

Management

- The association works thanks to the volunteers who are involved to welcome the different groups
- Several schools became member of the association: children go to regular sessions supervised by teachers, parents or volunteers
- In the garden seasonal vegetables and fruits are cultivated
- Each child leaves the garden with a vegetable

What do we grow & for whom?

- In the garden are cultivated season vegetables and fruits
- Each child leaves the garden with a vegetable

Practical information

- Opening time: from Monday to Friday, 9 a.m./4 p.m. (only for the groups)
- Visitors have to make an appointment
- Membership compulsory: 5 Euros;
- Rates: meeting (2 hours) 2 Euros per child not exceeding 40 Euros per group.
